

## SUMMARY

This research work entitled “CONTRIBUTION OF CHAKRAPANI DATTA ON CHARAK SAMHITA IN THE CONTEXT CONTEMPORARY TRADITIONAL KNOWLEDGE” has been studied under the following headings:

1. The conceptual study
3. Discussion
4. Conclusion

At the last is the Addendum having the Bibliography.

### Introduction

Before the commencement of the Conceptual study the introduction has been given so that a brief idea about the subject is gained. The introduction to the subject has been made in such a manner that a person not acquainted with the *Charaka Samhita*, *Chakrapani tika* also gets a glimpse of the subject of this research work.

The introduction part also narrates the “Aims and Objectives” as well as the Materials and methods to achieve those aimed targets. Not only this, the review of the previous research works and the need to conduct this work has been clarified.

### Conceptual study

After a brief introduction to the subject, the first section dealt with conceptual study. The conceptual study includes a detailed study on the literal meanings of various words in the chapter as well as their extended meanings. The conceptual study paves the way for the applied study. A concept well understood has to be evaluated practically in the form of the applied study.

It has been accomplished under the five chapters:

Chapter 1– *Charaka Samhita and its Commentator*

Chapter 2 – Contribution of Chakrapani Datta

In the first chapter, the concept of *Charaka Samhita and its Commentator* was studied from different texts. Material available in the different texts has been collected, analyzed and presented as per the need of the study.

In the second chapter, the concept of Contribution of Chakrapani Datta was studied from different texts. Material available in the different texts has been collected, analyzed and presented as per the need of the study.

## **Discussion**

The discussion has been done on every chapter of the conceptual study, the reason behind the selection of the drug and also on the observations made in study.

## **Conclusion**

In this last section conclusion were drawn on the basis of discussion. Followed by Summary, Bibliography have been attached.
