

Acknowledgement

At the very outset, my heart overflows with gratitude to the Almighty God who constantly guided me and gave me the strength to complete this stupendous work.

It is my privilege to acknowledge my heartfelt gratitude and indebtedness to my respected teacher and guide Dr. Bhaben Ch. Kalita, Professor, Department of Earth Science(Geography), University of Science and Technology, Meghalay, for his constant guidance, support and supervision. Further I would like to voice my gratitude for his encouragement, help to glitter up the whole phase of my Ph.D. work.

I would also like to acknowledge my sincere regards to my respected teachers Prof. Mahfuza Rehman, Prof. Jnanashree Borah and Prof. Narayan Chetry for their valuable suggestions and encouragement. I offer my sincere thanks to the Head, Department of Earth Science, University of Science and Technology, Meghalaya, Dr. Eahya Al Huda and Assistant Professor Dr. Swarup Jyoti Baishya and all other faculty members for their immense support during the entire study period.

I would also like to express my deep gratitude to Prof. Phani Deka for his valuable advice.

I am grateful to all office staffs for their constant support from time to time during the course of the study.

Mere words would be too small to describe the support and encouragement of my friends especially Dr. Manash Jyoti Nath, Ms. Jharna Dutta who had always been very resourceful and has always helped me in many ways. A special thanks I would like to offer to Mr. Rituparna Bora for the pensive interactions and believing in me.

I would like to express my deepest sense of gratitude to my loving father Sri Mohini Mohan Borthakur , my elder brother Mr. Zubeen Garg, my sister-in-law Mrs. Garima s. Garg and also to my other family members who have been a constant source of inspiration and untiring support in my life.

I would also like to thank Mr. Rituprayag Garg who helped me during my field work in my study area.

I am grateful to ERDF for the financial assistance in the form of 'Prof. Qoumrul Hoque Memorial Research Fellowship' to facilitate this work.

It would be great pleasure from my part to express my grateful appreciation to all the concerned respondents for helping me with necessary informations and finally convey my special thanks to the experts in music field in my study area for their active cooperation and quality time, without which it would not have been Possible to complete this study.
